FLOOR STREET

## Company Overview:

Floor Street is a premium company that offers stylish and durable flooring solutions and interior redesigning for various residential and commercial properties in Dubai and UAE. We provide advanced flooring services that include SPC, LVT, Vinyl, Parquet, Wooden, WPC, Skirting, and Luxury Carpets. Our years of experience and total quality assurance make us the no.1 supplier in the region.

## Mission Statement:

We believe in trustworthy and reliable services that can meet customers' expectations. Our experts keep researching the modern trends for adding valuable renovations to the living and working spaces. Our mission is to continue the reliable working legacy by delivering high-grade products with precise installations.

## Core Services:

Floo r Street is a trusted brand for renovating any type of floors with quality products. For modern and stylish flooring solutions, we provide SPC Flooring, LVT Flooring, Viny l Flooring, Wooden Flooring, PVC Flooring, Parquet Flooring, and WPC Flooring.

Apar t from these, we supply premium carpet varieties that include Wall to Wall, Sisal, Polyester, Nylon, Silk, and Wool for Homes, Mosques, Stairs, and Commercial areas. Our durable floor skirting solution includes Aluminum, MDF, PVC, and Wood.

## Why Choose Us:

Floo r Street has transformed the thousands of homes, villas, high-rise apartments, reta i l stores, and corporate facilities in Dubai, Abu Dhabi, Sharjah, Ajman, and other area s in UAE. Our quality assurance policy is very clear in terms of supplying high-end materials and reliable installations.

The tropical climate of the UAE is a big challenge and we know that hot & humid environments can affect the flooring. That's why we bring climate-resilient materials for floor renovation and interior redesigning. Fair pricing, on-time delivery, free consultation, timely completion of projects, free sample sharing, and online order booking are key attributes of our company.
